The morning sun
shone gently across
Donkey Corner.

Aoife looked around
and *smiled.*

Everything felt
peaceful.

Many visitors had come to see
the three girls over the years.

Some arrived with smiles and
happy news to share.

Others came carrying worries
in their hearts.

Aoife, Bella and Mumma Donkey
always welcomed them in their
own gentle way.

The donkeys never asked questions.

They simply listened, stood quietly
beside them, and offered comfort
through their calm presence.

Sometimes, that was exactly
what people needed.

Over time, Donkey Corner
became a very special place.

It was a place where friendships
were formed, memories were made,
and hearts felt a little lighter.

Aoife, Bella and Mumma Donkey
loved every moment.

They loved their quiet life,
their visitors, and the kindness
that surrounded them each day.

And most of all, they loved
being together.

At the end of each day, as the sun
began to set, Donkey Corner
became quiet and calm.

The three girls would look across
the fields, enjoying the peace
and the beauty around them.

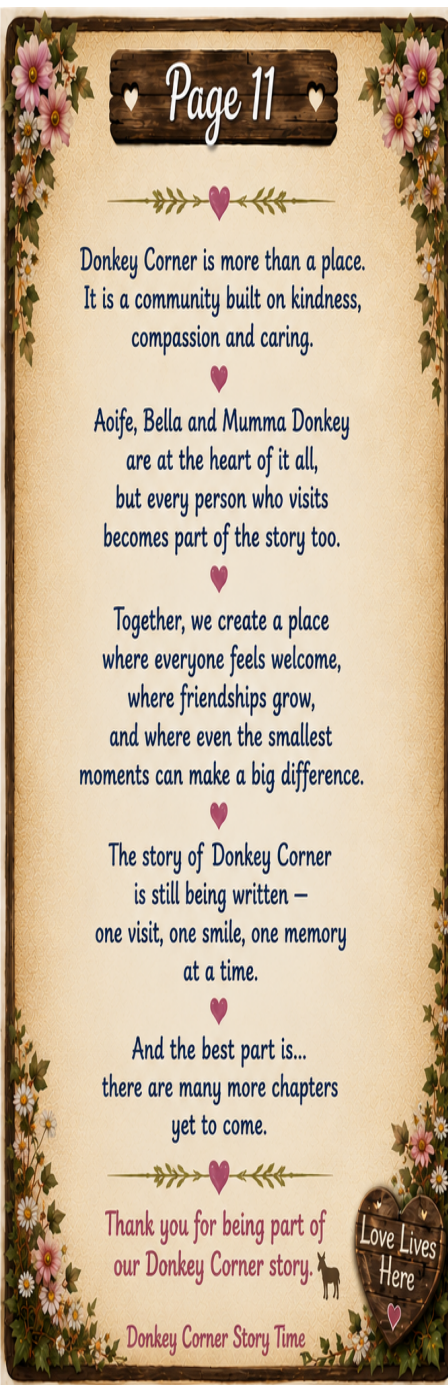

Aoife, Bella and Mumma Donkey
knew how lucky they were.

They had each other, a safe place
to call home, and so many kind
people who cared.

And as the stars began to twinkle in
the sky, they settled down together
— grateful for another day
of love, friendship and togetherness.

Donkey Corner is more than a place.
It is a community built on kindness,
compassion and caring.

Aoife, Bella and Mumma Donkey
are at the heart of it all,
but every person who visits
becomes part of the story too.

Together, we create a place
where everyone feels welcome,
where friendships grow,
and where even the smallest
moments can make a big difference.

The story of Donkey Corner
is still being written –
one visit, one smile, one memory
at a time.

And the best part is...
there are many more chapters
yet to come.

Thank you for being part of
our Donkey Corner story.
